**ORDER REQUIRING COMPLIANCE  
WITH PRETRIAL ORDER'S MEET  
AND CONFER REQUIREMENT**

20 The Court's case management and pretrial order required the parties to file, by April 8,  
21 2016, "(1) any objections to exhibits or to use of deposition excerpts or other discovery; (2) any  
22 objections to witnesses, including the qualifications of an expert witness; (3) any objection to  
23 proposed voir dire questions, jury instructions and verdict forms that the parties have been unable  
24 in good faith to resolve; (4) any opposition to a motion in limine." (Dkt. No. 28.) The parties  
25 were to submit such filings only "after meeting and conferring in a good faith attempt to resolve  
26 any objections." (*Id.*)

27 The parties' submissions make clear that the parties have not met and conferred as  
28 required. Defendant has proposed 33 exhibits, and Plaintiff has objected to 23 of them. (Dkt.  
29 Nos. 72, 95.) Plaintiff has proposed 30 exhibits, and Defendant has objected to 18 of them. (Dkt.  
30 Nos. 69, 94.) Some of Defendant's objections are as follows: "[t]hese records were not included  
31 in the exhibit binder sent by Plaintiff to Defendant, so Defendant cannot tell whether they were  
32 disclosed before the discovery cut-off" and "[i]f this exhibit consists of documents produced by  
33 Defendant Bates-stamped PALACIOS187-194, Defendant has no objection." (Dkt. No. 94.)  
34 These types of objections indicate that the parties have not met and conferred as required.  
35 Accordingly, the parties are ordered to meet and confer to resolve all of their objections to their  
36

1 pre-trial submissions. By no later than April 14, 2016, the parties shall file a joint status report  
2 indicating which objections they have resolved on their own and which objections remain  
3 outstanding.

4 IT IS SO ORDERED.

5 Dated: 04/11/2016
